Course Guide 2025/2026

STUDENT OF THE YEAR 2023

“

I wanted to broaden my horizons and undertake a TAFE course to hopefully one day work in transport operations.

I'm very proud of the challenges I've faced and how far I've come. It is always still a never ending battle but you just have to persevere and keep moving forward.

If you want something you make it work.

The Indigenous Engagement Centre (IEC) at Kangan Institute is an innovative environment that fosters and promotes Indigenous learning, while supporting Indigenous students undertaking study and training in a wide array of courses across the institute.

Honouring the traditional landowners of the area, the Gunung-Willam-Balluk and Wurundjeri peoples, the centre merges the cultural heritage and values of these landowners with contemporary Aboriginal culture and strong networks with key Aboriginal organisations to ensure that our students are supported through their time with us.

As one of the state's largest providers of training and education, Kangan Institute delivers a wide range of courses and programs.
